

International ACAC members in Beijing gathered on February 5th to celebrate the 25th anniversary of our organization. Organized by The University of Tulsa, and hosted at The Western Academy of Beijing, the two hour gathering was a perfect blend of work and play. In addition to socializing, our event featured a panel discussion on trends in this year's admission cycle. Panelists included Kevin Zhiyu Liu from MCPHS, Tim Stokes from WAB, Gloria Chyou Crawford from InitialView, Amanda Yan from Keystone School, and was moderated by Barbara Carletta Chen from The University of Tulsa. Special thanks to Michelle Chow Liu at WAB for arranging the catering!
