

The International ACAC birthday party in Dhaka was a huge success! We were 20 people, made up of counselors, admission representatives and EducationUSA people. Besides eating, talking and lots of laughter, new member Razoun Saddiky gave a brief overview as to how the Dhaka College Counselor Network (DCCN) was formed and where we are going. No money exchanged hands, as we used our scholarship to register five Dhaka school counselors for International ACAC membership! We now have 11 members from Dhaka!!!
