

On February 8th we organized a happy hour to celebrate 25 years with the Singapore International ACAC crew! We were thrilled with the turn-out and we had a wonderful time celebrating with Prosecco, nibbles, and a delicious International ACAC Birthday cake supplied by Tannaz Daver. Attendees included high school members, university members, individual members, and some organizational members as well. A great time was had by all; the Singapore International ACAC crew is a phenomenal group of people!
