

On Friday 2nd February more than 130 Waterford Kamhlaba UWCSA stakeholders from near and far attended IACAC's 25th birthday party on campus. It was a party with a purpose as parents were able to hear more about university life, celebrate our alumni and thank their referees. We were joined by recent alumni representing tertiary opportunities in many countries including South Africa, the USA, Canada, the UK, Continental Europe, Malaysia and Australia. They are now back in Swaziland as graduates working in sectors including Education, Diplomacy, NGOs, Finance, Entertainment and Entrepreneurship. It was a fun and upbeat evening with great refreshments and fine entertainment in the form of our marimba band and gumboot dancers.
