

Overseas Association of College Admission Counseling

Announces the third annual Summer Conference

Orlando, Florida ♦ July 13 - 15, 1996

The Overseas Association of College Admission Counseling will hold its 3rd annual conference on July 13-15, 1996 on the campus of the University of Central Florida in Orlando, Florida. One of the themes of the conference, Work and Learning, will be addressed by the keynote speaker, Dan Golden, Director of the Filene Center for Work & Learning at Wheaton College. The cornerstone program at the UCF school of business will reflect this emphasis on the relationship between the world of education and the world of work. Work will continue on our own project to prepare relevant career assessment programs for international students.

The conference will begin on Saturday, July 13, at 4:00 p.m. and end on Monday, July 15th after lunch. A Counselor tour of UCF will follow lunch and end at 4:00 p.m.

Admission Practices, the Statement of the Principle of Good Practice, and the needs of international students. How relevant is this statement to international students? How do we address AP violations? What are they?

We hope to examine these issues in more detail in an open forum and discussion. Bring your issues regarding this important topic for discussion so that we can make our recommendations for change to the AP Committee.
