

Important Update About the March 14 SAT Administration

Dear Colleague,

We've been monitoring the spread of the coronavirus (COVID-19), and as the situation continues to evolve rapidly, we're focused on the health and safety of students and educators. In accordance with the guidance issued by international health organizations and evolving travel restrictions, we've canceled the registrations of students testing in China and students who appear to be traveling from China to take the March SAT®. Less than 10% of the affected students are seniors.

The College Board is refunding all registration fees. The next international SAT administrations are May 2 and August 29. Students who are currently located outside China and believe their registrations were canceled in error may be able to reinstate their registrations by contacting Customer Service by February 24.

If your students have any questions, please direct them to sat@info.collegeboard.org or 866-756-7346 (domestic) or +1-212-713-7789 (international). Customer Service hours are 8 a.m.–9 p.m. ET, Monday–Friday (9 a.m.–6 p.m. ET on February 17).

We recognize that this is a challenging time. Please know that the health and safety of students and educators is our priority. Thank you for your partnership.

Sincerely,

College Board
