

2024 International ACAC Annual Awards

Peter Huet Lifetime Achievement Award

Lin Larson

**Director of Student Recruitment, College of Engineering
University of Texas at Arlington**

This award, which represents International ACAC's highest member tribute, is presented to an individual who, over a period of years, has performed outstanding service to International ACAC, to our profession, and to the international college counseling community. In 2015, the award was renamed in honor of Peter Huet, upon his receiving the award during the 2015 International ACAC Conference. Peter was a founding member of our Association and served on the Executive Board for twenty years.

Members who nominated Lin for the Peter Huet Lifetime Achievement Award shared these comments:

- Lin has been a pillar in the industry for many years, being a mentor, leader, cheerleader, trainer, advisor and friend to many on all sides of the desk.
- She has been an ambassador to global education in showing how the world can be a better, more supportive place through travel and education.
- Lin has supported thousands of students to reach their goals and has helped many others in the field to be able to do the same.
- Lin's knowledge and commitment to our community can be felt through every relationship she's built and every destination she travels to.
- It's clear that her commitment is to enhance and support the future of the field, through educating students on the greater nuances of admissions, instead of focusing only on her institution.
- Lin provides guidance and mentorship in a manner that also recognizes that we are humans and need to have that balance between work and career.
- She approaches our work with a sense of humor as well which is greatly appreciated given the stress our profession often encounters.

International ACAC is proud to award Lin the Peter Huet Lifetime Achievement Award!
