

## **2021 Executive Board Application for President-Elect**

### **Agreement of Institutional Support**

As a membership organization, International ACAC is governed by an Executive Board elected directly from its membership. It is a volunteer organization, and is heavily dependent on the donated time of the Executive Board and Committee members.

All candidates running for election to the Board do so with the understanding that this is a volunteer position, however, they must be willing to commit an average of 3-8 hours per week. There will be times of the year when this is much less, and times when more support is required. Additionally, all Board members are required to assist in planning the annual International ACAC conference as well as assist with Regional Institutes and other activities of the organization.

For those reasons, it is critical for Board members to be passionate about their profession, have a strong desire to contribute to the International ACAC community, and be willing and able to balance their volunteer responsibilities with their other professional and personal duties.

It is equally important for the candidate to have both the understanding and support of their supervisor and institution. In order to be eligible for the position each candidate must agree to the conditions outlined below, and also demonstrate the support of their institution.

#### **All Executive Board Members Must:**

1. Be a Voting member in International ACAC.
2. Be a Voting member in NACAC.
3. Attend the annual International ACAC conference in July (typically in North America). International ACAC will pay for registration, on-campus housing and meals during the conference; however, the institution is expected to provide transportation costs. In 2021, the annual conference will be a virtual event, and board members attendance is required
4. Attend the annual NACAC conference in September/October (exclusively in North America). International ACAC will pay up to \$2750 for board members attending from outside North America, and up to \$1750 for those from institutions within North America. This stipend typically covers partial costs, but not all expenses.\*\* The NACAC Conference may be offered as a virtual event in 2021, and board members

will be expected to participate. Registration fees will be covered by International ACAC if not provided by the member's institution. Conference registration fees are waived for the Delegates to the NACAC Assembly.

5. Attend the bi-annual Executive Board meetings held before the International ACAC annual conference and NACAC Conference. These meetings are in addition to the conferences and typically take 2-3 days. If the conferences are held virtually, the board meeting schedule will be adjusted accordingly.

6. Attend virtual Executive Board meetings as scheduled monthly during the year.

7. Acknowledge this is a three-year term commitment.

**President-Elect Candidates ONLY** – In addition to the above requirements, all of the obligations noted below will be paid for by International ACAC and NACAC. However, the candidate's institution will need to support the additional time requirement and time away from the office:

1. Attend the NACAC Leadership Development Institute (LDI) in July (typically 3 days, plus travel).

2. Attend the International ACAC President's Meeting, NACAC Winter LDI and Legislative Conference (February or March) in Washington, D.C (typically 4-5 days, plus travel).

3. For the year of President-Elect, attend one on-site visit for the annual conference (typically 2 days, plus travel; scheduled for late summer).

4. As President, attend Regional Institutes (typically one or two per year, 2-3 days each, plus travel.)

5. Acknowledge this is a three-year term commitment – Year One as President-Elect, Year Two as President, Year Three as Past-President.

*\*\*International ACAC is committed to maintaining diversity on its Executive Board. Should financing travel to Executive Board meetings become a barrier to service, on occasion, International ACAC will supplement the institutional contribution. However, this only occurs when the institution clearly demonstrates that it does not have the financial resources to contribute towards the cost of attendance. Please contact the Executive Director, Theresa Schweser, with further questions.*
