

2023 International ACAC Membership Dues Waiver Application Agreement of Institutional Support

We encourage members to take advantage of the various professional development opportunities available through webinars, regional institutes, the annual Conference, online resources, and the general networking and camaraderie that comes with a professional membership totaling over 3,500 people worldwide with similar agendas, to prepare students for and promote the transition from secondary education to higher education.

In order to be eligible for an International ACAC membership fee waiver each candidate must agree to remain in positive standing within our membership organization, and also demonstrate the support of their institution (or another International ACAC member if self-employed):

Candidate Name _____
